

BEST PRICE GUARANTEE

Georgia's Own Carfinder's selling prices are as low or lower than you could expect to pay for the same new vehicle. Pre-negotiated discounts and large dealer network make it possible for us to offer you this Best Price Guarantee.

If you purchase a new vehicle that is the identical make and model with identical options as shown on your Georgia's Own Carfinder written quote for less money and the qualifying purchase was financed by Georgia's Own Credit Union, Carfinder will pay you \$300.

I. Selling Price Calculation

We will compare our final offer price (after discounts, rebates, allowances, and/or incentives) on your Order Acceptance to the final selling price (after discounts, rebates, allowances and/or incentives) you receive from an authorized, franchised dealer for the same new make and model vehicle with identical options on the same delivery date.

II. Terms & Conditions

1. The qualifying purchase must be financed by Georgia's Own Credit Union.
2. Offer may be changed or withdrawn without notice.
3. Only one price guarantee claim will be allowed per household.
4. In order to qualify for the Best Price Guarantee offer, the member must present Georgia's Own Carfinder with a written quote from an authorized franchised dealer including the vehicle identification number. Georgia's Own Carfinder reserves the right to match any written quote submitted through this guarantee. If Georgia's Own Carfinder agrees to match the dealer's price, Georgia's Own Carfinder is no longer under any obligation to pay the \$300 price guarantee. If Georgia's Own Carfinder does not agree to match the written quote, the member would need to consummate the purchase identified in the written quote to qualify for the guarantee.
5. Georgia's Own Carfinder's Best Price Guarantee is valid on purchases made between the date that Georgia's Own Carfinder provides a written price quote and the last day of the month in which the written quote was provided.
6. Members submitting a claim must provide a completed buyer's order for a consummated transaction from an authorized franchised dealer for an identical new vehicle as was quoted by Georgia's Own Carfinder.
7. Georgia's Own Carfinder must be able to verify that the member has purchased an identical vehicle at a price lower than the quote provided by Georgia's Own Carfinder. If Georgia's Own Carfinder is unable to verify the information, your claim will be rejected.
8. The Best Price Guarantee is valid only for vehicles purchased within 100 miles of the delivery or pick up location as was specified in the Georgia's Own Carfinder written quote. Vehicles purchased in other locations are excluded from this policy.

9. The following vehicles are excluded and not subject to the Best Price Guarantee: (i) vehicles used as a dealer demonstration unit, (ii) leased or used vehicles, (iii) vehicles purchased through any employee or manufacturer program and/or event, or vehicles purchased pursuant or related to employee pricing, and (iv) vehicles obtained through giveaways, special events, and contests.
10. Guarantee is based upon straight sale without trade.
11. After market services, accessories and options such as Extended Service Plans, Rust Proofing, Vehicle Theft Recovery Systems, etc., are to be excluded from vehicle price comparison.
