## RULES AND CONDITIONS APPLICABLE TO COVERDELL ESA CONTRIBUTIONS

---

Coverdell ESA contribution rules are often complex. The general rules are listed below. If you have any questions regarding a contribution, please consult with a competent tax professional or refer to IRS Publication 970, *Tax Benefits for Higher Education*, for more information. This publication is available on the IRS website at [www.irs.gov](http://www.irs.gov) or by calling 1-800-TAX-FORM.

### REGULAR

The total amount that may be contributed to a Coverdell ESA for any tax year cannot exceed the published annual limit.

- Contributions to a Coverdell ESA on behalf of a designated beneficiary can be made by anyone whose income does not exceed certain limits.
- Generally, regular contributions may be made to Coverdell ESAs for a designated beneficiary under 18 years of age.

### ROLLOVER

A rollover is a distribution and a subsequent tax-free movement of assets from one Coverdell ESA to another Coverdell ESA.

- **Effective for distributions taken on or after January 1, 2015**, only one distribution from any of a designated beneficiary's Coverdell ESAs may be rolled over in a 12-month period, regardless of the number of Coverdell ESAs the designated beneficiary owns.
- A rollover generally must be completed within 60 days from the date the assets are received.
- Generally, assets may be rolled over to another Coverdell ESA of the same designated beneficiary or to a qualified family member's Coverdell ESA.

### TRANSFER

A transfer is a direct movement of assets from one Coverdell ESA to another Coverdell ESA.

- An unlimited number of transfers may be performed.
- Generally, assets may be transferred to another Coverdell ESA of the same designated beneficiary or to a qualified family member's Coverdell ESA.
