Fort McPherson Credit Union 1732 Walker Ave SW Atlanta, GA 30310 404.753.4592

June 1, 2021

Dear Member:

Please read the enclosed information about a special meeting on August 3, 2021 at 2:00 pm at 1732 Walker Ave SW, Atlanta, GA 30310 called by the Board of Directors of Fort McPherson Credit Union (FMCU). The purpose of this meeting is to present an exciting new opportunity for merger with Georgia's Own Credit Union.

After careful consideration, the FMCU Board of Directors has concluded that our members and their families would be best served by combining our credit union with Georgia's Own Credit Union, one of the oldest, largest, and most trusted financial institutions in the state. Our Board of Directors believes strongly that a merger with Georgia's Own Credit Union, with its complete menu of services and branch network throughout Georgia brings immediate and significant value and opportunity to FMCU members. And, FMCU members can rest assured knowing that the existing facility at Fort McPherson will remain open with current staff continuing to provide exceptional member service. Further, Georgia's Own is a participant in the shared branch network which provides members with access throughout the country.

Please read the enclosed brochure that outlines the extensive menu of services offered by Georgia's Own Credit Union. These services are conveniently delivered in person at numerous full service branch locations, via telephone, mail, electronically, or via surcharge free ATMs conveniently established locally and nationally. In addition, Georgia's Own is experienced in dealing with members throughout the world.

If you wish to submit comments about the merger to share with other members, you may submit them to the National Credit Union Administration (NCUA) via email at CUREMail@ncua.gov, via website at https://www.ncua.gov/services/Pages/resources-expansion/comments-proposed-merger.aspx, or via mail to National Credit Union Administration, Office of Credit Union Resource and Expansion (CURE), 1775 Duke Street, Alexandria, VA 22314. The NCUA will post comments received from members on its website, along with the member's name, subject to the limitations and requirements of its regulation.

After consideration of the current share values of both credit unions and the value that Georgia's Own Credit Union will bring to our members, the Boards of Directors of Georgia's Own Credit Union and FMCU have agreed not to authorize a merging dividend for the contemplated merger.

Your accounts will continue to be insured by the National Credit Union Administration, a Federal regulatory agency.

Enclosed are individual financial statements for FMCU and Georgia's Own Credit Union, along with a combined financial statement. As you will notice, the combination of these two outstanding memberships will create a strong, growing credit union, which is better able to serve you.

It is the recommendation of your Board that you attend the special meeting and vote "yes" to approve the merger.

If you have questions concerning the merger, please call **CEO**, **Amy Osborne**, at FMCU telephone **(404) 753-4592**, email <u>merger@fmcu-ga.com</u> or stop by the Fort McPherson Credit Union office and we will be glad to help you.

Sincerely,

Amy Osborne

Notice of Special Meeting of the Members on Proposal to Merge

Fort McPherson Credit Union

On March 24, 2021 the Board of Directors of your credit union approved a proposition to Merge with Georgia's Own Credit Union. You are encouraged to attend a special meeting of your credit union at 1732 Walker Ave SW, Atlanta, GA 30310 on August 3, 2021 at 2:00 pm.

Purpose of the Meeting

The meeting has two purposes:

- 1. To consider and act upon a proposal to merge our credit union with Georgia's Own Credit Union, the continuing credit union.
- 2. To approve the action of the Board of Directors of our credit union in authorizing the officers of the credit union, subject to member approval, to carry out the proposed merger.

If this merger is approved, our credit union will transfer all of its assets and liabilities to Georgia's Own Credit Union. As a member or our credit union, you will become a member of Georgia's Own Credit Union. On the effective date of the merger, you will receive shares in Georgia's Own Credit Union for the shares you now own in our credit union.

Other Information Related to the Proposed Merger

The directors of the participating credit unions carefully analyzed the assets and liabilities of the participating credit unions and appraised each credit union's share values. The appraisal of the share values appears on the attached individual and consolidated financial statements of the participating credit unions.

The directors of the participating credit unions have concluded that the proposed merger is desirable for the following reasons:

- 1. Georgia's Own Credit Union will provide the members of Fort McPherson Credit Union with a wider selection of competitive financial products and services, as well as additional convenient methods to access those products and services.
- 2. Georgia's Own Credit Union will provide the members of Fort McPherson Credit Union with access to a greater number of credit union branches, ATMs and electronic services.

If you wish to submit comments about the merger to share with other members, you may submit them to the National Credit Union Administration (NCUA) via email at CUREMail@ncua.gov, via website at https://www.ncua.gov/services/Pages/resources-expansion/comments-proposed-merger.aspx, or via mail to National Credit Union Administration, Office of Credit Union Resource and Expansion (CURE), 1775 Duke Street, Alexandria, VA 22314. The NCUA will post comments received from members on its website, along with the member's name, subject to the limitations and requirements of its regulation.

After consideration of the current share values of both credit unions, the value that Georgia's Own Credit Union will bring to Fort McPherson Credit Union's members, all related merger costs and expenses, and the lack of excess capital existing with the Merging credit union, the Boards of Directors of Georgia's Own Credit Union and Fort McPherson Credit Union have agreed not to authorize a merging dividend for the contemplated merger.

The main office of Georgia's Own Credit Union is as follows:

100 Peachtree Street NW – Suite 2800 Atlanta, GA 30303

The branch offices of Georgia's Own Credit Union after the merger will be as shown on the attached list.

The merger must have the approval of <u>a majority</u> of members of the credit union who vote on the proposal.

Enclosed with this Notice of Special Meeting is a Ballot for Merger Proposal. If you cannot attend the meeting, please complete the ballot and return it to the credit union office at 1732 Walker Ave SW, Atlanta, GA 30310 by no later than 2:00 pm on August 3, 2021. To be counted, your ballot must reach us by the date and time announced for the meeting.
