Credit-Able Loans for Parents

Having a child with special needs can be a struggle in and of itself, then factoring in the cost associated with some of the devices needed for your child can be just plain scary. That is where Credit-Able is here to help. Credit-Able is Georgia's alternative financing program for Assistive Technology. The mission of Credit-Able is to make independence affordable for Georgians with disabilities.

Credit-Able provides low-interest loans through Georgia's Own Credit Union to enable Georgians with disabilities access to affordable financing for Assistive Technology and Home & Vehicle Modifications. If your child is in need of any of the following items, a Credit-Able loan can make affording these items possible.

- Adapted Vehicles & Vehicle Modifications
- Braille & Speech Devices for Reading & Writing
- Electronic Video Magnifiers (CCTVs)
- Stair Lifts
- Hearing Aids
- Home Modifications
