*Other fees may apply. **Overdraft Privilege is available to members 18 and over who are in good standing with the Credit Union. We may approve certain transactions that overdraw your account. An overdraft fee of thirty (\$30.00) dollars may be charged for each transaction that overdraws your account. The categories or types of transactions that may overdraw your account include payments, purchases and transfers. Whether your overdrafts will be paid or not is in our sole discretion and we reserve the right not to pay the overdraft. For example, we typically do not pay overdrafts if your account is not in good standing or if you have too many overdrafts. We reserve the right to require you to repay your overdrafts immediately or on demand.
