GEORGIA'S

Money Market Accounts

Do you have a savings plan in place for short-range needs and emergencies? If earning more on your savings dollars, and still having access to your cash sounds good to you, then Georgia's Own Money Market Account is the answer. A money market account is an ideal way to save because it has higher rates than a regular savings account, plus the liquidity and flexibility of a checking account.

Earn Higher Dividends

The minimum balance to earn dividends is \$2,500.* The more you have in your account, the more interest you earn.

Easy Access to Your Funds

- withdraw from this account up to 6 times per month**
- use your personal money market checks for up to 3 of those withdrawals
- withdrawals can also be made through home banking, by phone, or in person at any Branch

* \$10 monthly service fee if average daily balance falls below \$2,500.

** \$10 excessive withdrawal fee per transaction if transactions exceed 6 per month or if checks written exceed 3 per month. Fees, if applicable, will be charged to accounts monthly.

Peace of Mind

Deposits at the Credit Union are insured to \$250,000 by the National Credit Union Administration, an agency of the federal government; IRAs are insured separately to \$250,000 by NCUA.
