

Hello FIRST NAME!

Spring is a great time to clean your house and make everything look new. Since cleaning has a lot of jobs to do, it is also a smart way for you to earn extra money!

On the next page, there is a list of chores that can help your savings grow fast. Sit down with your parents and pick which jobs they will pay you to do. You have to do a really good job on every chore. Ask your parents to show you exactly how to do it. If you do it the right way, they will be very happy with your work.

Don't wait for your parents to tell you to start. If they have to remind you, you might not get paid! Use a schedule so you know which day to finish each job.

If you follow this plan, you will earn a lot of money. Your piggy bank will be so happy!

# EARNING MONEY

Earning your own money feels really awesome and makes you feel proud! Adults have a million ways to get paid, but it's a little tougher when you're a kid. The best thing to do is chores at home. You might have to do some chores just to help out, but your parents might pay you for the extra hard ones they don't have time for. You should try to earn money whenever you can. Plus, you'll learn a ton of cool stuff along the way!

LIST THE CHORES YOU AND YOUR PARENT/GUARDIAN HAVE CHOSEN AS WELL AS THE AMOUNT TO BE PAID FOR EACH COMPLETED CHORE, THE AMOUNT TO BE EARNED FOR SUCCESSFULLY COMPLETING EACH CHORE, AND THE NUMBER OF TIMES EACH WEEK THAT THE CHORE IS TO BE PERFORMED. BY TOTALING THE CHORE EARNINGS, YOU'LL SEE HOW MUCH MONEY YOU CAN EARN EACH WEEK. REMEMBER, YOUR PARENT OR GUARDIAN MUST APPROVE YOUR WORK BEFORE YOU CAN BE PAID, SO DO YOUR BEST!
