GEORGIA'S

## SERVICE CENTERS

Georgia's Own Credit Union may not have thousands of Branch offices, but that doesn't mean that you can't transact your financial business at thousands of locations nationwide. Because we are part of a national network of cooperative credit unions, you can enjoy the advantage of shared branching, allowing you access to service centers all over the country.

### Service Centers provide added convenience:

- Transact business at any participating credit union--*locally, nationally, or internationally.*
- Take advantage of extended hours offered by other locations.
- Enjoy easy access to your accounts when you are traveling away from home.
- If you move locally or out-of-state, it's still convenient to remain a member of Georgia's Own.

### At a service center, you can conduct a multitude of transactions, including:

- making deposits and withdrawals
- making loan payments
- making transfers between your Georgia's Own Credit Union accounts
- obtaining Visa® cash advances
- and much more!

### How much does it cost to use a Service Center?

To serve you better, shared branching is free to all Georgia's Own Credit Union members.

### What do I need to use a Service Center?

- a photo ID, such as a driver's license
- the name of your Credit Union
- your 9-digit primary account number

### How do I locate a Service Center?

- To access a complete listing of service centers, visit [cuservicecenters.com](http://cuservicecenters.com).
- You can also look for the swirl symbol, which indicates that the credit union you are visiting is a credit union service center.

### For more information:

- call us at (404) 874-1166 or (800) 533-2062
- stop by one of our many branch offices
- visit [georgiasown.org](http://georgiasown.org)
