Finance charges will continue to accrue on your unpaid balance. The Credit Union reserves the right to determine if prior subsequent actions may disqualify your account. A granted payment holiday entitles the member to defer one (1) month's regular payment on the specified loan. The regular payment schedule will resume the month following the elected payment holiday month. Real Estate, Visa, Cash Now and Day Note Loans excluded. If you have any form of voluntary insurance or warranty coverage in connection with the loan in which you seek to defer a payment, you should ensure your election to defer a payment does not affect your coverage.
