

June 16, 2023

Dear Member,

We are excited to announce that the Health Center Credit Union merger vote was overwhelmingly approved by the membership, and as of July 1, 2023, Health Center Credit Union will become part of Georgia's Own Credit Union! On July 3rd, current HCCU branch locations will reopen as Georgia's Own.

What does this mean for you? As a valued HCCU member, the biggest thing you'll notice on July 1st is the name change. Experienced employees will stay the same. Your existing accounts with the Credit Union will also remain the same.

On September 30, 2023, we will begin our planned system conversions. This means in addition to the current locations available to you, beginning in October, you will have access to 34 additional Georgia's Own locations throughout Southwest Georgia, Southeast Georgia, and metro Atlanta, as well as over 110,000 surcharge-free ATMs. You'll also be able to take advantage of the additional products and services that Georgia's Own offers. As with any system conversion, there will be some downtime. However, you will receive more detailed information regarding that closer to our conversion date.

Georgia's Own and Health Center Credit Union are two of the most trusted credit unions in the state—combining 136 years of experience to serve you. Both have a long history of doing what's right, by putting our members' interests and financial well-being at the heart of our business. This partnership represents an opportunity to take our shared values and serve our collective membership in bigger and better ways than ever before—offering competitive rates on deposit and loan products—the credit union promise that has been saving members money for over a century.

Our Credit Union staff is excited about the changes ahead and is looking forward to serving you. If you have any questions, please give us a call at 706.434.1600 and we will be happy to assist you.

Sincerely,

Stacy A. Tallent
